Lines

Leading Line -- S Curve

Lines

In general, horizontal straight lines suggest stability, tranquility, calm, etc.

Lines

In general, diagonal, curved and vertical lines tend to create a feeling of energy or movement

Lines

Vertical lines also can be used
to create sense of height,
dominance, grandeur

Look for explicit lines . . .

Lines

and implied lines.

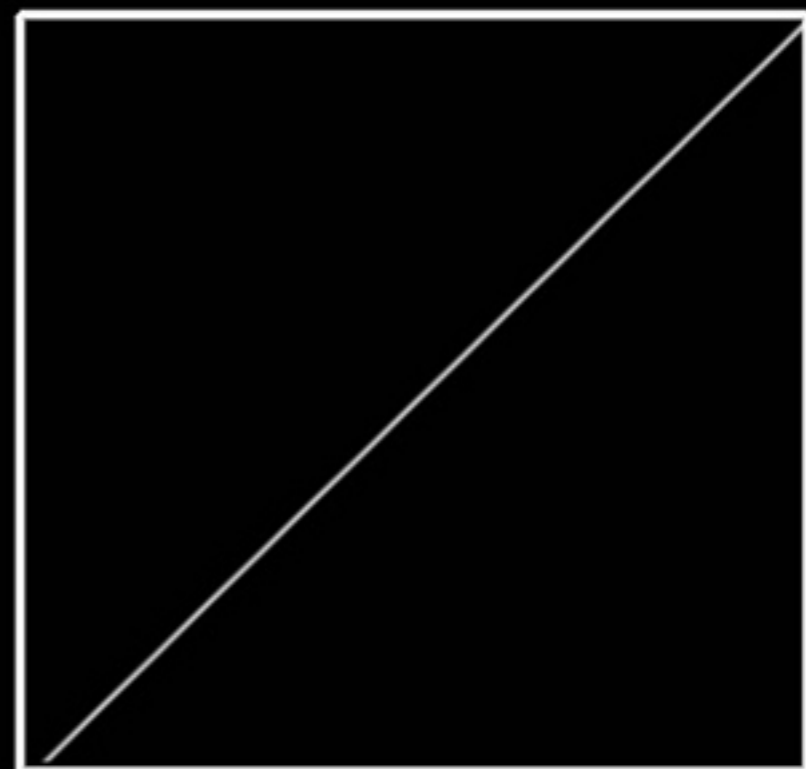

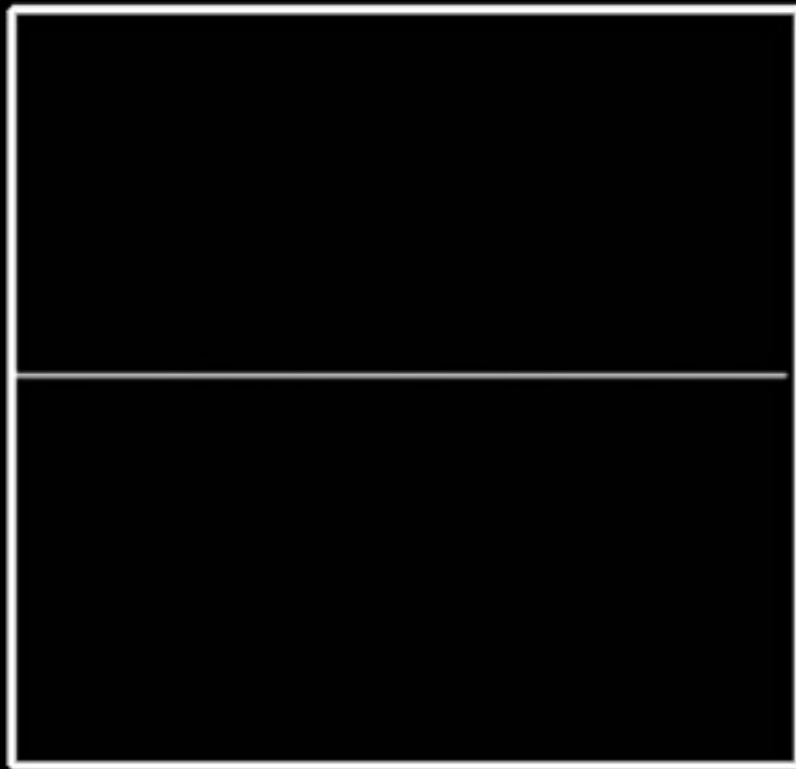

Lines

Lines

Avoid bisecting the image with lines.

Cuts image in half, creating two pictures
